Sent With First of 235,000-Ton Consignment, Says German Dispatch

REPORT BY DR. TAYLOR

Philadelphian Says Foe Can't Live Unless Relief Supplies Are Rushed

By the Associated Press London, Feb. 21.-American troops have arrived in Berlin and been quartered in different hotels, says a dispatch to the Exchange Telegraph from Copenhagen quoting the Extra Bladet's

Berlin correspondent The troops are said to belong to the "113th New York Regiment" and their duty will be the protection of expected transports of food.

"Under Secretary of State Braun says," the correspondent says, "that during the negotiations at Spa and Treves the Allies refused to give Ger-many credit on the ground that she was unable to pay. A new agreement was reached under which Germany is to get 235,000 tons of food for \$11,832,000. "The government is negotiating with Berlin and Hamburg banks to get the

French bonds in private possession." A Weimar dispatch says that as a re-sult of Mathias Erzberger's appeal to capitalists in the National Assembly for mency to pay for the foods:uffs to be brought from the Entente Powers, sev-eral persons have placed all their foreign securities at the disposal of the govern-

Paris, Feb. 21.-(By A. P.) - The ginia and District of Columbia. German Government is the same bureau-cratic regime of the Kaiser's day with the same attitude toward labor and capital and does not represent the forces which caused the revolution," says Dr. Alonzo E. Taylor, food specialist, who

Alonso E. Taylor, food specialist, who has just returned from Germany, where he made extensive investigations in behalf of the supreme food relief council.

"Count von Bernstorff is in charge of American affairs at the Foreign Office and the bureaugrats of the old school are in evidence everywhere," he added. "The Germans are becoming Russianized.

are filling the newspapers with articles saying that President Wilson's doctrines should be considered as having become effective on the day the armistice was saying that President Wilson's doctrines should be considered as having become effective on the day the armistice was signed and should have been interpreted as leaving Alsace and Lorraine in Gerbelling as representatives of England, as leaving Alsace and Lorraine in Gerbelling as representatives of England. as leaving Alsace and Lorraine in Ger-man hands.

German Army Demobilized

The German army has apparently been disorganized and demobilized for the most part, Doctor Taylor says, but he believes it will be possible for a well-organized bureaucracy to restore mili-tarism if it is deemed desirable. Many Germans believe they will recover their battleships and merchant fleet and de not expect to give up any territory and of a Walk-Out

in Doctor Taylor's opinion, a grave political upheaval is probable with the signing of the treaty of peace.

The present juli is regarded as unnatural by Poctor Taylor, who says it was possibly created by the payment of

eight marks per day, while railway work-ers and street cleaners receive only six of wages and hours, and undertook that them. If the Bolshevild continued their ers and street cleaners receive only six of wages and hours, and undertook that marks daily. Consequently, the men the commission should report by the end

Death Bate Increases

Plays so immoral that they would have been prohibited under the imperial regime are now tolerated; thieving is prevalent, looting is common and the general public morale is very low, Doctor Taylor remarks. He says the food situation is critical and that, in spite of the great reduction made in rations, the mation cannot live until next harvest unless supplied by outside Powers. The death fate has increased, especially among children between five and fifteen years of age, children under two his visit to Paris.

Note that has been involved and strike, but they have been prohibited under the imperial regime are now tolerated; thieving is prevalent, looting is common and the general public morale is very low, Doctor Taylor remarks. He says the food altuation is critical and that, in spite of the great reduction made in rations.
